

DOWNLOAD A BLANK PATIENT AGREEMENT

A user with the Admin role has the option to download a blank PA from within their account. Navigate to the **Admin tab**, select **Account Settings** then click on the **Download PA PDF** button.

A modal will pop up to select a specific dispensing location. If none are selected the dispensing location will be blank on the PDF. To generate the PDF, click on the **Download PA PDF** button. From there, open the PDF and either print or save the agreement.
