

NEW FEATURES!

Direct Vendor Reply

Vendor reply emails now go directly to the customer rather than routing through the MotionMD Help Desk.

Custom Date Picker Update

Allows free type in Reports and Analytics date pickers to make creating custom reports even easier.

Competitive Bid Flag Removed

Medicare has put a temporary hold on the DMEPOS competitive bid program, MotionMD has disabled these notifications to prevent confusion and extra work until MCR has released a new determination.

Topaz Signature Pad

Users can now utilize a Topaz Signature pad to obtain signatures. Reach out to your Area Director for more information on requirements to utilize this feature.

COMING SOON!

Multi-Select Clinics Filter

Updated filter on the Patient Agreements page to allow filtering of multiple clinics at once.

Stock Records Modal Updates

Stock Records modal updates to make inventory management easier and more efficient.

Same or Similar Report

New report to allow Admins to view all Medicare orders with Same or Similar status.

Please go to [Enovis.com/MotionMD](https://enovis.com/MotionMD) or contact your Area Director for a free demo or more info.
