

EXTERNAL PROVIDER ROLE OVERVIEW

The External Provider role is a slimmed-down role created for Providers who need access to MotionMD to review and sign Patient Agreements for only their patients. This role also has a feature that allows Providers to opt into an email notification letting them know there are Patient Agreements ready for signature.

Upon login, if Patient Agreements waiting on signatures, they will be listed on the main dashboard. Click the **Sign All** button.

Patient Agreements To Sign

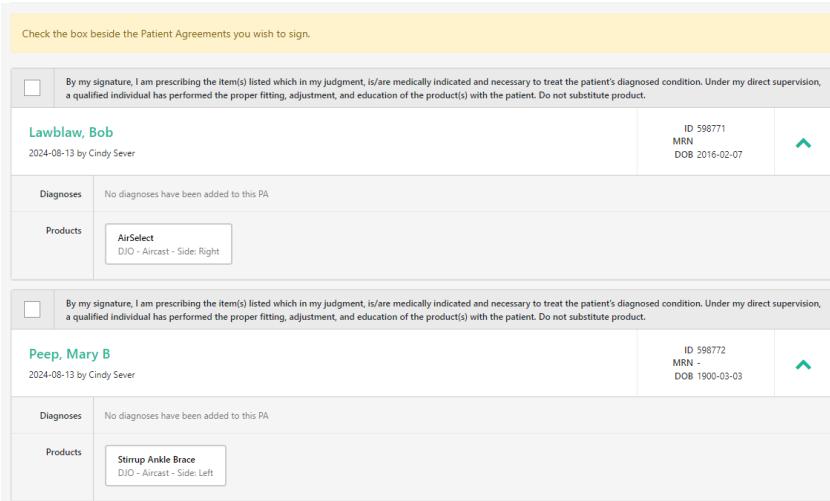

- Bob Lawblaw**
MRN - DOB 2016-02-07
2024-08-13 by Cindy Sever
- Mary B. Peep**
MRN - DOB 1900-03-03
2024-08-13 by Cindy Sever

Sign All

A page will open with all Patient Agreements expanded to view the patient and product dispensed.

Batch Sign

2 Patient Agreements for Paige Turner

Check the box beside the Patient Agreements you wish to sign.

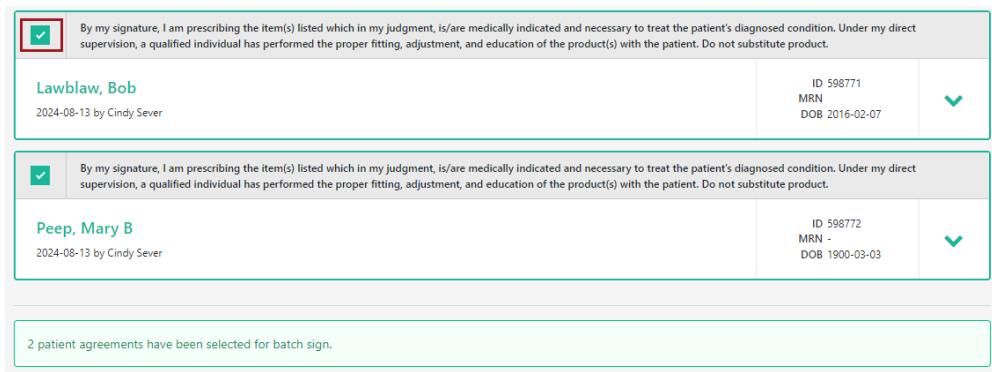

By my signature, I am prescribing the item(s) listed which in my judgment, is/are medically indicated and necessary to treat the patient's diagnosed condition. Under my direct supervision, a qualified individual has performed the proper fitting, adjustment, and education of the product(s) with the patient. Do not substitute product.

Lawblaw, Bob 2024-08-13 by Cindy Sever	ID 598771 MRN - DOB 2016-02-07	
Diagnoses No diagnoses have been added to this PA		
Products AirSelect DJO - Aircast - Side: Right

2 patient agreements have been selected for batch sign.

EXTERNAL PROVIDER ROLE OVERVIEW

Apply signature in the Signature canvas, check the Authorization checkbox and click **Sign Selected Patient Agreements** button.

Once all Patient Agreements have been signed the main dashboard will indicate none are waiting.

Motion Intelligence

As a Provider, you can opt into a weekly email notification that Patient Agreements are waiting for Signatures. The emails are sent every Thursday evening and there is a link in the email body that will navigate you to the MotionMD login page.

Click the **Edit Profile** option under the Profile dropdown menu. On the Edit Profile page, check the 'Opt in to receive an email alerting of PAs that need review' checkbox and click **Save Changes** button.
