

## UPDATED VENDOR RESTOCK SELECTION

New functionality has been added to improve the ability to generate restocks in accounts ordering from multiple vendors. The update allows the selection of the Vendors first so users don't have to scroll through long list of Vendors and/or cancel out of those not needing a restock generated.

From Inventory Locations list page or within an Inventory Location, click the **Restock X Items** button or link

**Inventory Locations** Displaying all 2 inventory locations

Location Name	Address	Status	Ship to	Restock	Add Usage	Edit
Sports Orthopedic & Spine - Carlsbad	123 Main Street, Carlsbad, CA 92009	Real-time	Ship to	Restock 5	Add Usage	Edit
